

MAC-E & Woodbridge Business Leaders Return for “Principal for a Day”

For three days in February, MAC-E and Woodbridge Township corporate leaders participated in Principal-for-a-Day - a school-wide initiative in which area business leaders and Township officials visited the classroom as part of American Education Week.

Principal-for-a-Day allows business leaders to interact with elementary, middle and high school students, principals and education officials throughout the Woodbridge School District for a behind-the-scenes look at the quality of schools and caliber of education.

Principal-for-a-Day also allows educators and school administrators to better understand the types of skills being sought by area employers, latest industry trends, and how to better prepare Township students for future success in area businesses.

Business leaders participating in the 2016 edition of Principal-for-a-Day included: Almasi Companies, Aguila Landscaping, Arizona Ice Tea, BASF: The Chemical Company, Bayshore Recycling, Berkeley College, Cisco, Competitive Power Ventures, Colonia Corner Newspaper, Computer Design & Integration, Dell, Dillon Music, Elizabethtown Gas Company, Federal Business Center, Galkin Orthodontist, Hotels Unlimited, Investors Bank, Johnston Communications, Lightbridge Academy, MetLife, Microsoft, Middlesex Water Company, Northfield Bank, Peak Environmental, Promedia Technical Services, Prudential, Raritan Bay Medical Center, RSI Bank, Sansone Auto Mall, Woodbridge Auto Body, Inc., Woodbridge Center Mall, Woodbridge Veterinary Hospital and the Woodbridge Metro Chamber of Commerce.

MAC-E At Work

The Mayor's Advocacy Committee for Education (MAC-E) works to improve the quality of education for the more than 13,000 students attending all 24 Woodbridge Township schools.

MAC-E's mission is to energize the partnership between the local business community, Woodbridge Township schools and the Mayor's Office and to establish an effective means to impact and enhance the academic experience of students. The program presents students with options for real world career opportunities and the skills necessary to productively and successfully participate in today's workplace.

Want to learn more about MAC-E or volunteer? Contact Bernadette Sohler, Middlesex Water Company, at **732-638-7549** to learn more about MAC-E or visit MAC-E on the web and Facebook at www.twp.woodbridge.nj.us/Default.aspx?alias=www.twp.woodbridge.nj.us/mac-e

Mayor John E. McCormac, Caroline Ehrlich, Chief-of-Staff, and Yanina Daigle, CPV, join Principal Margaret Truppa, Menlo Park Terrace School #19, for Principal-For-A-Day.
