### A Letter from the Tooling Mailbag:

Dear Mayor McCormac:

I am writing to thank you and Tooling Around the Township for the beautiful front porch I received this summer. It's wonderful how the Township is helping us Seniors who are in desperate need. I am an 87 year-old widow, living in Port Reading 66 years, raised in Woodbridge, and not going anywhere. Thank you again and I'll remember you at Thanksgiving prayers.

God Bless You, Pricilla R. Port Reading

## Tooling Around the Township Completes Home Repairs

Community volunteers, skilled trades workers, students, township employees, business owners and corporate officers all came together on April 30 to fix-up homes for senior and handicapped residents as Tooling Around the Township completed work on 25 homes. "It was an incredible day - hundreds of volunteers helped fix-up houses for those who really needed the help," Mayor John E. McCormac said. "I can think of no other project that brings together the entire community more than Tooling Around the Township."

Since the start of the program, more than 300 families have benefited from home repairs through the efforts of this community fix-up program.
